ADDITIONAL INFORMATION

Does any legal order under the Family Law exist that the school should be aware of?

Yes No

This matter is to be discussed confidentially with the Principal/Deputy Principal.

The school should be aware of any court order that affects the child's welfare and also the name of any person into whose custody the child should **not** be given. This can be discussed confidentially with the Principal and Deputy Principal.

Please note that your child will take part in the Stay Safe Programmes as it is now compulsory.

We often send in photos to the local papers and we upload to our website when we partake in sporting, cultural and education programmes/events. Should you object to your child's photo being taken or to your child being on a school video during their time with us, we request that you inform the Principal of this **in writing** with your enrolment form.
Thank You.

We look forward to meeting you and your child and we wish you many happy years with us.

Signed:
